## GU Welcomes Spring!

Here are some of our many exciting programs and events coming up this Spring.

- \* **Spring Session** runs March 12 through June 11. Students will continue to develop skills from previous sessions and put together routines. New students always welcomed. Remember if you refer a new student you receive \$10 off the next session's tuition! Trial class opportunities are always available for your referrals.
- \* **Back Handspring Clinics** and **Open Gym** continue to be held most Friday nights. The Back Handspring clinic is 45 minutes beginning at 6:15 and Open Gym follows for two hours starting at 7:00. You can signup in advance or drop in. If you received a Wooden Nickel in class, this gives you an opportunity to participate in an Open Gym for free. It is valid for the entire Spring Session.

- \* **Have you met McKenna???** She's the American Girl Doll of the Year and a gymnast! You can meet her in the lobby, where you will also find an opportunity to take a chance at winning this doll for your very own. We will start selling raffle tickets on March 12th and the winner will be announced at the All School Meet on May 4th. Chances are 1 for \$5, 3 for \$10. Proceeds will go toward a new bar mat.

- \* **28th Annual All School Meet is Friday, May 4th!** This year's theme is **Keepin' It Country** and we have lots of surprises planned! All students in 1 hour, 1.5 hour, and twice a week classes are eligible to participate. Coaches have passed out sign-up forms and we hope you're one of the many who have already registered. Mark your calendar for this important date. Please bring an extra chair if you have one and if possible, car pool. (The meet will fill at 125 gymnasts.)

# MORE GU SPRING NEWS!

## Senior Spotlight

Gymnastics Unlimited is graduating two seniors this year. Both girls have been members of our program for more than ten years and have been on our competitive teams most of that time. Nichole Sevilis is a member of our JOGA 2 team and will be attending Stockton University or Slippery Rock University. Lara

Haberle, a member of our USAG Level 9 team and a junior staff coach, will be attending Ithaca College and will be part of their gymnastics team.

We will miss both girls and wish them all the best as they head off to college.

Trophy Week was a huge success again this year. Congratulations to all of our students who participated in our Fit & Fun Program.

## GU Raises Money for American Heart Association!

Ms. Shaun's pre-school classes Jumped Rope for the Heart during HeartSmart Week, Feb 6-11 raising nearly \$800! Ms. Jeanne's Jar Full of Hershey Kisses contest added nearly \$17 to GU's donation, with two winners this year guessing 133 kisses: Olivia V and Morgan M! GU thanks all who participated in both fund raisers!

## GU Teams

Congratulations to our USAG Levels 7/9 and JOGA 2-4 teams on placing at all of their competitions. One of the many season highlights for USAG was Rebecca Lezon winning vault with a score of 9.7! Our highlight for JOGA was our Level 3 team winning 1st at the last invitational. Good luck to all the girls as they prepare for their respective state championships!

Congratulations  
Meadow Jacobson  
Level 5 State Champion  
on Vault!

## American Cup Bus Trip

We filled two charter buses on Saturday March 3 for the 2012 American Cup at Madison Square Garden. Many of GU's families ended up on the Jumbotron and a few team members got to go down on the floor for a handstand contest. A great time was had by all!!!

## Notes from the Front Office

- With the warm weather coming and more daylight we know that children will be energized as they come and go from the gym. Please, when picking up or dropping off, accompany your child in and out of the gym to prevent students from running through the parking lot. We are a safety-first gym -- inside and outside!

- Tuesday - Valerie V, Pre-JOGA Team
- Wednesday - Natalie H, Girls 1.5 Hour Class
